

2010-2011 Training Contacts for Coventry Medicare Advantage Network-based Coordinated Care Plans (CCP) HMO/PPO/HMO-POS

Coordinated care refers to the coordination and delivery of Coventry members' health care through the network of doctors and hospitals that contract with our local health plans. Coventry locally managed coordinated care health plans contract with the Centers for Medicare & Medicaid Services (CMS) to offer HMO, PPO and/or POS structured benefits. All Coventry CCPs offer prescription drug coverage.

In addition to online general compliance and product training, in-person events for Coventry contracted brokers and agents are held. Pre-registration is required. Please contact your local Coventry health plan to receive complete details about upcoming events and GREAT selling opportunities.
