

Waiting for Authorizations Online?

Exciting New Services Available

Monday September 10th

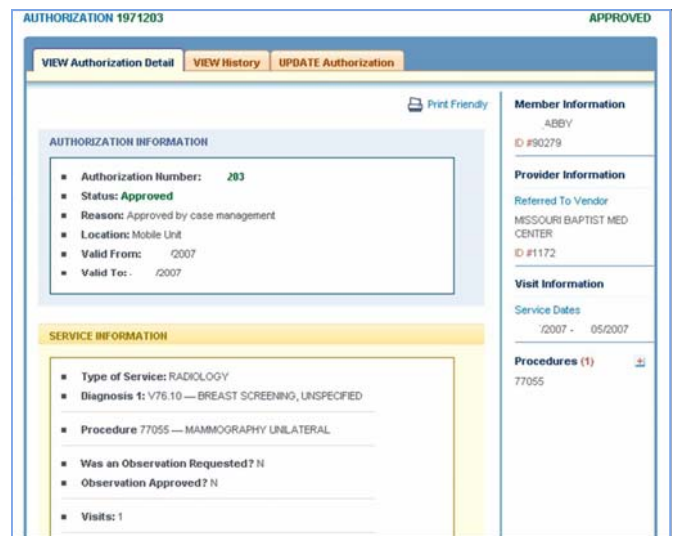

Directprovider.com keeps getting better. With the most recent feature enhancements effective Monday September 10th, users will be able to work with authorizations submitted to our health plans. In addition to our current services, dynamic upgrades will allow users to:

- Look up authorizations
 - Search by member, status, authorization number
- View authorization detail
- View authorization history
- Update an authorization
- Attach up to 4 files
- Submit a reconsideration
- Submit a non-urgent, first-level appeal

Online training is available.
